Sir,

Subject:- Revision of certain establishments at Doddaballapur Town Municipality.

I have the honour to state that the Town Municipal Council of Doddaballapur have resolved at their meeting held on 14-6-1944 that the pay of the bill-collectors and office peons may be revised as noted in the margin and that sanction of Government may be obtained to the appointments of 6 Octroi peons on Rs.10/- each per month as a permanent measure.

Existing.	Proposed.
2. Office peons on Rs.12/- each p.m.	Rs.12/- in the grade 12-1-15 p.m.
2 Bill Collectors on Rs.15/- each p.m.	Rs.15/- in the grade 15-1-18 p.m.

Necessary proposals statement explaining the variations resulting from revision is enclosed for favour of reference.

The provision of graded scale of pay to the peons and Bill Collectors appears to be necessary in order to avoid days and would act as an incentive for good work. As regards the appointment of 6 additional peons for octroi collection, it is reported that the work of the octroi collection was being carried on by the conservancy peons so far. The above arrangements is no longer considered feasible as the services of conservancy peons cannot be spared for octroi work. In view of the increased income under Octroi especially through the Railway Station Octroi through which a large volume of dutiable goods passes into the town, it is urged that the appointment of 6 peons for octroi collection is very necessary. The comparative figures of octroi collection for the last three years are embodied in the enclosed statement.

As regards the temporary staff, the Municipal Council
